

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA

-v-

JOHN RUBEO,

Supervisee.

No. 12-cr-260 (RJS)
ORDER

RICHARD J. SULLIVAN, Circuit Judge:

The Court is in receipt of the attached unsolicited submissions by non-parties Lisa Babick and Jeff Lowman concerning Supervisee John Rubeo and his compliance with the terms of his supervised release. As the Court previously noted, Babick and Lowman have each advised Probation of her/his consent to the Court's public docketing of the submissions (*see* Doc. No. 88), and the parties do not object to such docketing (*see* Doc. Nos. 91, 92). For privacy and security purposes, the Court has redacted personal and/or private information unrelated to the submissions' content. It has also redacted unnecessary profanity.

As previously ordered, the Court will proceed with a conference on December 2, 2020, at which time Rubeo is expected to admit to all three specified violations of supervised release. Although the parties have expressed their willingness to proceed with sentencing immediately following Rubeo's anticipated admissions, the Court will defer sentencing to a subsequent date and will direct the parties and Probation to make sentencing submissions in advance of that proceeding.

Because Rubeo previously requested that the December 2, 2020 proceeding take place remotely (Doc. No. 76), the Court will conduct the conference via Skype for Business. IT IS HEREBY ORDERED THAT no later than 5:00 p.m. on November 30, 2020, the parties should

jointly email to the Court a list of persons who anticipate speaking during the videoconference, including counsel, Rubeo, and Rubeo's supervising probation officer. The email should provide the telephone numbers or email accounts from which each of those persons expect to join the call. Chambers will email the parties directly in due course with further instructions for accessing the videoconference.

Members of the public may monitor the conference via the Court's free audio line by dialing 1-888-363-4749 and using access code 3290725#.

If possible, defense counsel shall discuss the Waiver of Right to be Present at Criminal Proceeding (available at Doc. No. 74 at 3) with Rubeo prior to the proceeding. If Rubeo consents, and is able to sign the form (either personally or, in accordance with Standing Order M10-468, 20-mc-174 (CM) (S.D.N.Y. Mar. 27, 2020), by defense counsel), defense counsel shall provide the Court with the executed form at least 24 hours prior to the proceeding. In the event Rubeo consents, but counsel is unable to obtain or affix Rubeo's signature on the form, the Court will conduct an inquiry at the outset of the proceeding to determine whether it is appropriate for the Court to add Rubeo's signature to the form.

SO ORDERED.

Dear Judge Sullivan,

My name is Lisa Babick, and I'm an independent reporter who writes for a website called The Italian Inquisition. I just wrote a story about the order submitted to PACER on October 5 regarding government informant John Rubeo's recent appearance on The Gene & Johnny Podcast.

After a little bit more investigation, I've found even more disturbing information about Rubeo and his appearance and apparent violation of his supervised release related to that appearance. I'm a bit unclear on whether or not in addition to his violation of consorting with convicted felons, if his new career as a "professional gambler" would also fall under such violations of his release.

I was wondering if you'd be willing to speak to me regarding this issue. I've attached a link to my short article which has various documentation from Rubeo's now no longer active Instagram, and some other documentation I recently received which is attached.

I look forward to your response. BTW, John Rubeo is aka Johnny Baseball on YouTube. That particular video clip is in the article.

[official_jrrubeo](#) This guy is a top lawyer? I'm glad he didn't represent me, again I never said I turned the tapes on and off at my leisure, because I never did, that's just fact, and than I was a KEY WITNESS in the Johnny T murder case, I barely knew the guy and the ALLEGED murder took place I believe in 1965, HEY LEVIN I WAS BORN IN 1976, I don't think I was a key witness in that trial

Judge Sullivan,

I am writing to you today, to discuss a matter regarding John Rubeo. While I am a semi journalist, and radio show host, I think you need to be aware of a few things, that I don't know if they were brought to your attention during the trial of Joseph S. Merlino. I attended those trials, and was assailed by JR RUBEO repeatley on social media, during that trial. He assailed me on Facebook, for reasons, I would assume was because of my daily writeups on the proceedings of the trial. While I do cover organized crime as a topic, I found Rubeo's act and testimony to be laughable in most instances. My opinion aside, I wanted to include some screenshots of Rubeo attacking me in messages on social media outlets. I think regardless of my opinion on the case, that I should have to had indulged this nonsense, as well I can give you some information.

I sued John Alite in Federal Court, Southern District of New York several years ago. I can assert to you, that I know for a fact that John Alite and John Rubeo were in touch months prior to Rubeo being on the actual show itself. I am sure you are aware, that John Alite and Gene Borello have been making threats to people for years and I am no different. Myself and my attorney contacted Judge Bucklew down in Florida, because he had broken his parole agreement by hanging out with Jimmy Calandra and Patsy Adriano. The point being, Alite, has discussed in front of me wanting to either kill John A. Gotti Jr, and or "baseball batting him." While I am not trying to drudge up old news, Judge Bucklew in that case referred it back to Special Agent Ted Otto, who refused to deal with Alite on any level. I am merely telling you that for reference.

As for John Rubeo, he has repeatedly harrassed me online, even recently as a few weeks ago, making a video on Instagram about me, which I don't obviously have a copy of, because I tried to ignore him, however, he attacked me relentlessly while he was on the stand testifying against Joey Merlino. I do believe and I could be incorrect but that Attorney Edwin Jacobs did, recieve copies of these during the trial, at least that's my belief. I am sharing these with you as not to incite, but rather show you the type of individual John Rubeo is.

I am sure you have your hands full, and I am sure, that you have enough on your plate. This isn't about retribution, it's about justice. If you need any further questions answered or anyone needs to discuss anything, I am a New York resident, and whatever help I can be I will be, but I am sure, you have this under a watchful eye.

Enclosed is two screenshots that date back to the trial of Joseph P. Merlino. The one thing that Im wondering is how he even knew who I was. As you can tell in one of the photos he describes how I am dressed.
